DETAILED ACTION

Allowable Subject Matter

1 Claims 1-13 are allowed.

The following is an examiner's statement of reasons for allowance:

The references cited in this and the previous office action disclose an electronic circuit unit having a circulator and some other elements; however, they do not disclose a plurality of through holes vertically passing through the circuit board are filled with a magnetic material; and a magnetic path is formed by the magnetic material between the first and second yokes disposed above and below the circuit board so as to cover the magnet and the ferrite member, to make a closed magnetic circuit, as claimed (claims 1-9), and adjacent input and output terminals are connected by a plurality of inductive elements, a capacitive component being disposed between at least two inductive elements (claims 10-13). Also, there is no suggestion to modify the references to include these limitations

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
